William Shaver, U.E., from Pennsylvania, received about 1,200 acres near Lancaster, about the end of the 18th century. Here he died and was buried. Two of his 13 children purchased land in Peel -- George in the Gore of Toronto; Peter in Toronto, N.D.S. There is no record of children locating U.E. grants in Peel.

In Peel, George Shaver <sup>was</sup> neighbour of Jacob and Abraham Markle of Burnhamthorpe. said also to be originally from Pennsylvania where, before leaving, Abraham had married Barbara Shaver. (Dora Royce source) But ~~the~~ Dixie Cemetery is the resting place of Anna, wife of Abraham Markle, d. 1855, aet. 64; Barbara does not appear, nor do any children born before 1814, when Anna was certainly old enough to be the wife in question. Was the Abraham who married Barbara Shaver the father of the Abraham who settled in Peel and married Anna. In this case, was Barbara the sister of William Shaver, U.E., and was her husband that Abraham Markle who was attracted to the Province ~~by~~ by the offer of free lands but "notwithstanding his protestations" ..... "was never loyal to British connection and ..... was one of the original hyphenates." This elder Abraham was apparently a man of substance like his probable brother-in-law,

In 1814, Feb.-Mar., 3rd session, 6th Parl., the  
"seats of Abraham Marcle & John Willcocks who joined  
the American Army declared vacant as traitors."  
(Dictionary of Dates - War of 1812. Keller, Ref. Lib.)

If this Abraham was the father of Abraham and  
Jacob of Burnhamthorpe, it is no wonder that his  
descendants, <sup>who</sup> though Methodist liberals, rather than  
Church of England Tories, were always quite loyal,  
have buried his memory in oblivion.

That Abraham and Jacob of Burnhamthorpe were  
connected with the Ancaster Markles is rendered the  
more probable by their close friendship and inter-  
marriages with the Ancaster Shavers. The  
latter included -

~~George Shaver's son~~

George Shaver's 2nd wife was Margaret Markle,  
granddaughter of Abraham of Burnhamthorpe.

George Shaver's son, Wm. Trueman Shaver, married  
Maria Ward. And his daughter Isabella married  
John Ward.

John Markle, grandson of Abraham of Burnhamthorpe,  
married Mary Ward.

It would be interesting to speculate further on  
possible Shaver-Markle connections in the U.S.

Wm Trueman Shaver was a strong man and a great manager. He was always neatly dressed. He often made wills for people and was highly respected also very helpful.

His father George Shaver had a man working for him Matthew Heary. One hot day they were cradling when they came to an end of the field they sharpened up and took a rest.

He said to George Shaver if you will go down and get a keg of beer I will do my swath as well as your own. The beer was bought and as Heary was working Mr Shaver said "I thought you were going to do my swath as well as your own" "Oh! he said I'll do yours to morrow"

## OBITUARY

SHAYER: Mr. H. H. Shaver, police magistrate, Clerk of the Division Court and Postmaster for the past 15 or 20 years, died on Friday, July 27th. Deceased was a devoted and earnest worker in the Methodist church here and had organized and conducted for some time the Excelsior Adult Bible Class. He was also a very satisfactory leader, having had charge of several which always did him credit. He was for many years the church's representative at the annual conference and had hopefully looked forward to being present at the last meeting. He always took an active part in public affairs and as a recent trustee in the Dixie Union Cemetery was instrumental in having that hitherto neglected grounds put in neater condition. Mr. Shaver was also an earnest and consistent temperance advocate being identified with the work, in fact he was always known as an

Mr. Herbert Shaver

Mr. Herbert Shaver, for a number of years police magistrate in the village, was one of those prominently connected with the church, being a member of the Quarterly Board and of the Trustee Board, as well as being choir leader at one time, and teacher of the Bible Class in the Sunday School. Mr. Shaver also took quite an active part in the work of the church as a whole, attending quite regularly the annual conference of the church, and being a delegate at several of the General Conferences. Mr. Shaver was twice married, his first wife being a Miss Watson a sister of Dr. A.D. Watson of Dixie, who became quite a noted hymn writer, as well as being a prominent physician in Toronto. His hymns were in the old Methodist hymn book, and at least one is in the United Church Hymn book. (Verify.) His second wife was Miss Theresa Black of Rosemount, sister of the Rev. A.E. Black, at present stationed at Edmonton.

Dear W.P.:

We are in receipt of your letter of June 9th., enclosing letters in regard to David Ward, which we return herewith as requested, and, I appreciate the difficulty you are having in getting the information that you are looking for.

I might just say that David Ward was a son of James Ward, but they never lived in the County of Peel, but lived just east of the Etobicoke River. My mother was a daughter of William Ward who was a rebel with William Lyon McKenzie and was at the taking of Montgomery Tavern on Yonge Street, and I understand that he and one Donald McFarland secretly looked after McKenzie for some short time after the rebellion, and that all these people lived in the County of York.

The only other Wards that I ever heard of out there, was a family who lived near Dixie and were cousins of my mother, but they moved to Michigan many years ago, and one of them was a very prominent surgeon in some part of Michigan, just where I do not at present recall, but I think if you want to get some information about the Ward family, if you

would write to Miss Bertha Chapman, at Thornhill, whose mother was a Ward, that she might be able to give you some information.

I would indeed be glad to help you if I could, but the only one of our family who kept much track of our relatives was my sister, who passed away in April of this year. Sorry that I cannot give you any more assistance, I am,

Dear Miss Chapman:

In connection with my forthcoming history of the County of Peel, we are having some trouble getting the Ward family placed.

Colonel the Hon. T. L. Kennedy told us what he could, and referred us to David Ward. David Ward referred us to Howard Shaver, and Howard Shaver refers us to you.

Will you be good enough, please, to give us what you can and within a few days, please, if you can?

Mr. Howard Shaver says his mother was a daughter of William Ward, who lived in Etobicoke.

Your kindness will be appreciated.

Yours faithfully,

Wm. Perkins Bull.
